

Troop 362 Scrip Information 10-14-08

SCRIP OVERVIEW: For troop newcomers this is a brief overview of how our program works. At troop meetings you can buy store gift cards. They are sold to you at face value, however a percentage of the price is put aside in your son's individual Scout account. The percentage you receive is different for each store and ranges from 2% for ARCO to 25% for See's Candy. Funds in your son's Scout account can be used for scout activities only, such as summer camp.

We can take special requests. Individuals may not order scrip, but you can access the list of available scrip. For a complete list of available scrip and percentages go to the following web site:

<http://www.glscrip.com/shop/Default.aspx>

Go to the bottom right hand corner of the page and select either to print the list alphabetically or print the list by category.

Following are the scrip gift cards that are normally or frequently in stock and the percentage of each card amount that will go into the scout's account.
